God says, "See, *I am doing a new thing!* Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland".  
Isaiah 43:19

The past 40 days many in Ocala have been on a journey.... a journey in God's Word, prayer and pursuit of God to Experience Him! The dusty trail has taken us to understand:

1. God is always at Work around us (how true)!
2. God pursues you in a love relationship (praise God)
3. God invites you to join Him in what He is doing (He is doing a new work in Ocala)
4. God speaks to you by His Holy Spirit through Scripture, Prayer, circumstances and the church. (I will share how God has been speaking in these areas in the coming days)
5. God's invitation always leads to a crisis of belief (we have experienced this ~ however His peace and presence is sustaining us, encouraging us and bringing new enthusiasm for Christ)
6. You must make major adjustments to join God in what He is doing (the hard part)
7. You come to know God by experience as you obey Him (the rewarding part)

**This Sunday November 30, 2008 @ 1:00 pm** the new journey God is taking many on continues:  
**Camper Village** (next to Sam's Club on 200 just west of 75)

Why 1:00 pm? This allows everyone who has previous commitments to fulfill those commitments and pass the baton of leadership onto others. Please fulfill your responsibilities and in love communicate that God is leading you in a new direction. (I will address this in more details later).

Camper Village is only a temporary location. God has already opened doors for an amazing facility...beginning in December!
